

French Language and Culture trip to Antibes

SAMPLE PROGRAMME: March 2010

Antibes has a rich historic and architectural past. The town has been well preserved and renovated and its history is evident on a stroll round its narrow streets and avenues. Ancient squares, medieval streets, typical provençal houses and pine trees all add to the picturesque charm of this location. The ancient Fort Carré stands guard over the town, giving views along the coast to Nice.

Our school trips are suitable for students aged 13 – 18. Our centrally-located language school teaches French to students of all ages, employing fully qualified teachers experienced in teaching French as a foreign language. Course content is designed in full consultation with the group leader. Accommodation is in local homestays, selected and inspected by the school. Breakfast and dinner are taken in the homestay and lunch is provided at the school with packed lunches for the full day excursion. Excursions and activities are conducted in French and are chosen to suit the group.
