### FREE TIME ACTIVITIES

The school offers a very full programme of activities, designed to bring students of all nationalities together, to encourage them to speak German in authentic situations, and to give them the opportunity to explore the local environment.

**Skiing/ snowboarding in winter and spring:** The season runs from the end of November to the beginning of May. It is usually agreed in the coffee break between morning lessons where to ski, based on the weather conditions, snow conditions and experience of the group. The school is a 5 minute walk from the nearest ski bus stop, and the group normally fix a time to meet there before setting off together for the slopes. The school's director, who leads the group, is a former ski instructor and knows the mountains very well. He advises on the best places to ski and keeps the group together.
