

## French and Culture trip to Nice SAMPLE PROGRAMME: February 2010

Nice is a warm, French Mediterranean destination perfect for short school study trips at any time of year. It has an impressive range of cultural festivals, galleries and museums, and enjoys a mild climate all year round. The old town of Nice is famous for its cobbled alleyways, restaurants, street cafés and colourful markets. There is plenty to see and do in the surrounding towns and Provençal countryside.

Our school trips are suitable for students aged 12 – 18. Our centrally-located language school teaches French to students of all ages, employing fully qualified teachers experienced in teaching French as a foreign language. Course content is designed in full consultation with the group leader. Accommodation is usually in homestay selected and inspected by the school. Excursions and activities are conducted in French and are chosen to suit the group.
