

## Spanish and Culture trip to Salamanca

**SAMPLE PROGRAMME: June 2010**

Salamanca is a buzzing university town, perfect for short school study trips at any time of year. Life centres around the Plaza Mayor, a lively square surrounded by cafés, restaurants and shops. Salamanca is large enough to have all the advantages of a big city, yet with a compact safe centre where everything is within walking distance: beautiful churches, historic monuments and renaissance palaces.

Our school trips are suitable for students aged 13 – 18. Our centrally located language school teaches Spanish to students of all ages, employing fully qualified teachers experienced in teaching Spanish as a foreign language. Course content is designed in full consultation with the group leader. Accommodation is usually in homestays selected and inspected by the school. Excursions and activities are conducted in Spanish and are chosen to suit the group.
