

Spanish language and culture trip to Santiago de Compostela

25th to 31st of January 2009

Santiago de Compostela's old town is beautifully preserved and pedestrianised, containing monuments from all eras. It has been declared a UNESCO World Heritage city. The University ensures a lively, buzzing atmosphere, and cultural events take place in all corners of the city all year round. Santiago is a very safe city, ideal for exploring by foot.

North West Spain contains many treasures and spectacular scenery. Visits and activities on this trip make the most of the city's unrivalled location.

Our centrally located language school teaches Spanish to students of all ages, employing fully qualified teachers experienced in teaching Spanish as a foreign language. Course content is designed in full consultation with the group leader. Accommodation is usually in homestays selected and inspected by the school. Excursions and activities are conducted in Spanish and are chosen to suit the group.
