

Spanish language and culture trip to Valencia, 25th to 31st of January 2009

Valencia is a friendly, compact city with a vibrant art life and a wonderful gastronomic culture. The picturesque old town has winding streets to explore and bars and restaurants serving tapas and local seafood. The life of the city spreads down to the seafront where there is a harbor area and two extensive city beaches. The futuristic face of the city is reflected in Ciutat de les Arts i les Ciències, where the largest aquarium in Europe is found along with a fabulous science museum.

Our school trips are suitable for students aged 13 – 18. Students of all ages and nationalities learn Spanish at our centrally located language school, which employs fully qualified teachers experienced in teaching Spanish as a foreign language. Course content is designed in full consultation with the group leader. Accommodation is usually in homestays selected and inspected by the school. Accompanied excursions and activities are conducted in Spanish and are chosen to suit the group.
